MONSTROUS REGIMENT

I've got nothing to wear...

A cabaret of women

Directed by Clare Venables

Designed by Lucy Bevan – Lighting designed by Charlotte McLelland

"I think women should stop whingeing: we've got equality now - it's up to us"

"Other women seem to have cracked it - it's just me, I'm a mess..."

"Nothing's changed: if anything, it's got worse..."

"I can't see what the fuss is about, I love my life..."

"I'm not a feminist but..."

"I'm a feminist but..."

What's life like for women now? Monstrous Regiment's cabaret aims to find out. Enjoy gags, sketches, jokes, music, sharing some of the horrors and hilarities of being female in 1993.
